1. Grow in contemplative life by improving our mental prayer.
2. Cultivate our faith, hope and love: “Grant that from faith in your Love, we may live each day with a love that is always new, in joyful hope.” (The Father, *Pastoral Letter*, 14 February 2017, n. 33).
3. Free and cheerful fidelity to God, renewing our dedication to that *special mission of service* we have as numeraries.
4. Develop our capacity for listening and dialogue. Imbue our formation and work with that tone of genuine interest, seeking to *give and receive light* from the others.
5. Foster the thirst for God that many people are experiencing, launching out into a broader and deeper personal apostolate.
